This conversation is between two people. They will talk about what they will do for the day.

One of them, named Carol, wants to go to the library but her friend, Danny, don't like going to the library. Please read and find out what they finally agreed on. You may ask questions to your consultant, if any.

Conversation

Carol: Hi! Danny! What are you up to this afternoon?

Danny: I will go to play basketball if the weather is good.

Carol: What if the weather is rainy and **stormy**?

Danny: Then, I will stay at home and watch basketball online.

Carol: Wow! It seems that you love basketball.

Danny: Yes, I am a basketball fan. I love basketball a lot.

Carol: How about going to the library? My dad will drive me to the library this afternoon. Maybe we can do our homework together.
